Thursday, 25 August 2011

Dear Vice President,

I write to invite you to renew your membership for next season (2011/2012). The Committee has decided that as we are now in the process of registering for CASC membership we will alter the structure of our V.P.fees. As CASC members we can take advantage of tax concessions on donations made to the Club. We have therefore decided to reduce the V.Ps membership for this year to £50. However we are asking you to continue to pay £80 as per last year but to agree to a donation of £30 which will qualify for Gift Aid if you pay income tax at the standard rate. Attached is a letter for you to sign if you agree to this move. Your membership will continue to attract free entrance to all home games (excluding cup matches) and an invitation to V.P. Lunches.

Our new pitch in front of the club-house is now up and running and will be used for our first game of the season which is on Saturday August 27<sup>th</sup> against Wadebridge.

Last season we were demoted and will now play at Level 8 which is probably the right level for us right new in view of our performance last year at Level 7. This year our new Director of Rugby is Chris Greatrex ably assisted by Mike Lewis and Lee Webber.

We won't be strangers in our new league as we will be coming up against some of our old rivals such as Crediton in Devon and Newquay in Cornwall.

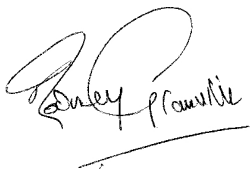

Keep an eye out for the fixture list which will be published on our web-site soon at

Thank you for your loyal support throughout last season and we hope to see you in the not too distant future at Sandy Park.

Kind regards

Rodney Glanville

Membership Secretary

President Trevor Masters 01822 614323

Chairman John Wakem 01822 833336

Hon Secretary Jeff Lawson
