Dear Vice President,

I'm sure that by now you will know that Tavistock's 1st XV has been promoted to the Western Counties (West) League. It was a close call and we had all thought that Truro had pipped us to the post, coming third on points difference. This would have been even more galling, particularly as we had beaten them both home and away. However, as a result of the two Henley teams merging in a higher league, we were given the call and everyone in the Club is looking forward to the coming season. Once again we have Steve Rush as the Club coach who will be ably supported by Lee Webber and Steve Luffman. This is an experienced coaching team who between them have both county and national league club experience.

Also, again this year we hope to field three senior fifteens plus a Colts side and the junior club will have 10 sides plus one or more girls fifteens. That is 15/16 sides in all!!

At the end of last year the Club made a small loss of around £6,000 and the new committee have put a strong budget in place for the coming year, which should see us move into the black and end the season with a healthy surplus. Among other things we have found it necessary to increase our income streams and our membership fees have been increased to take account of the perceived higher cost of supporting a team at Level 7 and the increased cost of travelling further afield. We have therefore increased the cost of a Vice President of the Club to £80 for the season which will include the cost of entrance to our home games, now increased to £3 per game. I hope you can continue to support us.

For this you would become part of the club, receive a V.P. tie/pin (let me know if you wish to re-new yours), be eligible to apply for international tickets, invites to one or two club lunches pre-match and, as a member, be able to hire the function room at a reduced hire charge.

Our Social & Bar Committee have put in place a thriving series of social activities, to which you will be invited and I hope to be in touch with you again soon to invite you to the first of these events.

As a key sponsor and club member, you will be listed on the TRFC Website and Programme with links to your business from our website if you wish.

If you feel you would like to give us your support, would you please complete and return the attached membership form together with your cheque for £80.00 made out to **TRFC** to
